In the Name of Allah, Most Compassionate Most Merciful

We, the Islamic Foundation of Ireland, condemn in the strongest terms the heinous attacks on the people of Brussels on 22nd of March 2016, resulting in the loss of Thirty Four innocent lives and many injuries.

We believe that these indiscriminate and inhumane attacks are against all religious and moral values and are crimes against humanity that cannot be justified under any circumstances. Any such acts should be denounced wherever they occur.

We disassociate our faith and our fellow Muslims from such violent and brutal acts and those who perpetrate them. We offer our deepest condolences to the families of the victims and wish a speedy recovery to those injured.
